

Discovering the Adult Baby in you - the joys, the struggles, the highs and the lows – and the journey.

**** NEW ****

The Rehab Regression

Toby overdosed one night and ended up in Rehab – as so many do. Only when he woke up, everything was different. He now had the physical body of a fifteen-month-old baby and the diapers that go with it. But unlike many who had gone before him, he retained the memories of his previous life.

What happens when you literally attend day-care and live in a nursery, but still think like an adult?

What happens when your best friends are two years old?

An amazing and original story that will keep you turning the pages until the surprise ending. Click on the book cover to the left.

A new survey!

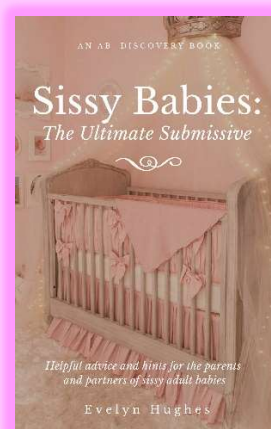

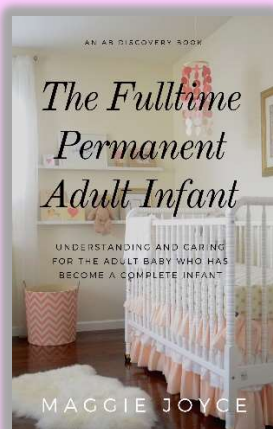

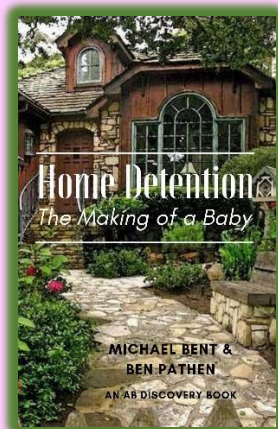

We want to know what YOU think about ABDL fiction and non-fiction books.

If you ever wanted to tell authors and prospective writers what YOU want in your ABDL reading material, then fill in [this survey](#), so we can better address your needs!

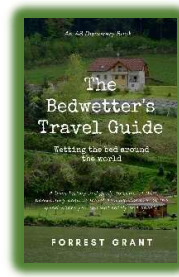

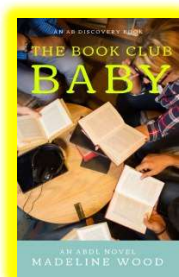

Focus on Sissy Babies

AB Discovery has recently published three books that highlight the hopes and lives of sissy babies. Check out each one, read the free sample and see if these Sissy AB books are something you might want to read. And there are *four* more Sissy AB books in the works and coming up in the next couple months.

What's Coming Up?

We have five new books coming up in the next 2-8 weeks. If you want to know when they are available, register your interest on the website. Click each cover for more details.
